MOBILE ARMORY PROTECTION BY PELI

PELI & THE MILITARY PARTNERS IN PERFORMANCE

For over half a century, Peli engineers have proudly developed custom solutions for the transport and packaging needs of the NATO. Our innovative products enable sensitive equipment to travel through hostile environments and arrive operational. Many of our models have been tested in the field as well as in combat situations. By developing custom solutions, testing new materials and continuously improving designs based on user feedback, we have been able to build this robust line of cases that proudly live up to the harsh demands of the military. We look forward to solving your toughest shipping issues and seriously encourage your requests for specific-need cases. After all, in the field, top-notch performance matters most.

THE HIGHEST LEVEL OF CONFIDENCE IN THE FIELD

Peli-Hardigg Mobile Military Cases keep your sensitive and vital equipment safe from moisture, dust, sand, salt and even impact. Safe inside, your gear is protected against drop damage while the rib design maximizes stacking and stability en route. When you open a Peli-Hardigg Military case, be assured you'll find what you packed inside arrives fully operational. We know lives are counting on you, so you can count on us.
